Per the attached and as information,  
W-S developed the attached Doroz & Co  
Poster Kits. ON 5-31-96 I communicated  
and allocated per the attached. As of this  
date nothing has been ordered; see  
attached. I am only passing to you as  
information so we do not overlook and  
get in the same situation as the Doroz  
Low Volume Program.
